## 2019 WATER CONSERVATION POSTER CONTEST

Each year, the Florida Keys Aqueduct Authority, in partnership with the Florida Section of the American Water Works Association (FSAWWA) invites students County-wide to participate in our "Drop Savers" Water Conservation poster contest. Students in grades K-12 are encouraged to create a poster depicting a water conservation idea. The contest teaches elementary aged school children and reminds middle and high school aged teens about the importance of water conservation.

The posters are judged based on the message, creativity, and originality of their posters; not just artistic ability.

Prizes include monetary awards and gifts for school and county division winners, and entry of winning posters in the FSAWWA state competition. The teachers of each county-wide division winner also receive a monetary award for use in the classroom. Posters are displayed in FCAA Customer Service offices during Drinking Water Week in May, and are posted on FCAA's website and social media pages.

Congratulations to our poster contest winners and thank you to all of the participating students and teachers.
